

Randolph County, NC, Genealogical Journal **Winter, 2001**

heirs -*apparently GRIFFIN has replaced HICKS as administrator*) Says he lived about a quarter mile from Richard LOFLIN, who was blind, and his wife, who was crippled. Wives of Davis HIX, Timothy GRIFFIN, John VARNER and Eleazer LOFLIN generally waited on the old people-regular for at least one to two years. The old lady was very old, childish, and hard to please. The daughters could only get along with her about a week, and then another would take a turn. Thinks \$50 apiece is fair compensation.

Master's report, Spring term 1849. DAVIS apparently died before 6 April 1849 (1847?) and his administrator, E. B. ANDREWS, put the notes in the hands of Timothy GRIFFIN, admin. d.b.n.

Decree, Spring term 1849. Report of Master be confirmed. Timothy GRIFFIN is administrator d.b.n. of Richard LOFLIN.

Numerous summons, receipts, notes.
