

There once was a little baby

Who was as cute as could be.

She was Mommy's little girl,

One day a Mommy to be...

Then grew the little girl

As every eye could see.

She was Mommy's little girl,

One day a Mommy to be.

One day the girl was a woman  
As beautiful as could be.  
She met her man, her soul mate,  
One day a Daddy to be.

And so the two became one,  
Blessed in the Trinity –  
The man who would be a Daddy  
And his bride, the Mommy to be.

There once was a little baby

Who was as cute as could be.

He was Daddy's little boy,

One day a Daddy to be...

Then grew the little boy

As every eye could see.

He was Daddy's little boy,

One day a Daddy to be.

One day the boy was a man  
As handsome as could be.  
He met his woman, his soul mate,  
One day a Mommy to be.

And so the two became one,  
Blessed in the Trinity –  
The woman who would be a Mommy  
And her groom, the Daddy to be.
